BUILDING SAFETY ACT RESIDENT ENGAGEMENT

As part of our commitment to fire safety in our managed buildings, and in accordance with The Building Safety Act, we have created this form.

This form should be completed by any resident who may have difficulty evacuating the building in the event of fire or have difficulty responding to an activation of the fire alarm.

We will process all responses and ensure that the relevant information is made available to emergency services.

PEEP (PERSONAL EMERGENCY EVACUATION PLAN)

This form may be beneficial to those with mobility issues or impairment that may impact their ability to hear audible alarms among other issues.
